Front Porch Presence

Warm weather is upon us, and most kids are out of school, which means more people are out and about on our streets and in our neighborhoods. This is a great time to organically connect with neighbors and people we might not otherwise interact with. One way to be intentional with this is to leave one night a week open for being present at your home/on your street. Pray for neighbors you do know, as well as ones you don't, and see what connections God opens up! For more inspiration, check out *The Art of Neighboring* by Jay Pathak and Dave Runyon.

Youth Bible Study

Every other Thursday from 7:00-8:30 at Maria's (1900 Mills Ave). Please bring snacks to share!
